OFFICE of SELECTMEN

TOWN of ALLENSTOWN

POST OFFICE

SUNCOOK, NEW HAMPSHIRE

DEAR FRIENDS

As per my last year's report which was included in the town report, I've indicated to you that the history book of Allenstown was completed and is ready for printing. Due to the fact that the Town of Pembroke has not turned over any monies to the Town of Allenstown for the publishing of their book it is with regret that I must inform you of the following.

If we still wish to print our history we must raise the money at this year's town meeting. A petition for such has been included in this year's Town Warrant already. I still wish to keep the cost of printing as low as possible and be able to produce a book the whole community will be proud of. One thing to remember is that whatever money it will cost to publish such a book, it will be refunded to the town through the sale of the history book!

Again, I thank you for the co-operation which I've received from the people in putting together this volume!

Sincerely:

EUGENE J. VALLEE, JR.
Town Historian

To see if the Town will authorize the Recreation Commission to apply for and accept all Federal and other funds available to be applied to the Park Property development, mainly intending to apply for and accept \$5,000.00 from the Bureau of Outdoor Recreation (BOR). (This article is approved by the Budget Committee.)

14. To see if the Town will vote to raise and appropriate the sum \$1,200.00 for Allenstown's share of the funding of the Juvenile Service officer; said officer working with the Hooksett District Court and funded through the Governor's Commission on Crime and Delinquency. (This article is submitted without recommendation of the Budget Committee.)

15. To see if the Town will vote to hire a qualified part-time building inspector at a salary of \$5,000.00 and raise and appropriate such sum for said purpose. (This article is approved by the Budget Committee.)

16. To see if the Town will vote to adopt the following ordinance:

MOBILE HOME MORATORIUM ORDINANCE

Section 1. Authority. This ordinance is adopted under authority of RSA 31:39 (1975 supp.).

Section 2. Mobile Home Moratorium. No mobile home may be erected, installed, remodeled, restored, or replaced in the Town of Allenstown except as permitted under Section 3 of this ordinance.

Section 3. Exceptions. Any mobile home which lawfully existed in the Town of Allenstown on the date this ordinance became effective, or which was subsequently lawfully installed as a replacement home under this section, may be continued, remodeled, restored or replaced, on its present site, subject to the following limitations:

a) No such mobile home may be replaced with, or remodeled into, a mobile home more than one story in height.

b) No such mobile home may be replaced with a mobile home of less than seven hundred (700) square feet interior floor area, unless the mobile home being replaced contains less than seven hundred (700) square feet interior floor area, in which case the replacement home shall not contain an interior floor area less than that contained in the home being replaced.

c) No such mobile home may be replaced without prior written approval from the Board of Selectmen. The applicant shall furnish the Selectmen with sufficient information to demonstrate that the proposed mobile home is otherwise permitted under Sections 2 and 3 of this ordinance, which information shall be recorded and preserved by the Board of Selectmen. The Selectmen shall grant approval if the proposed mobile home complies with Sections 2 and 3 of this ordinance.

Section 4. Enforcement. Whoever violates Section 2 of this ordinance shall be subject to a penalty of not more than one hundred dollars for each separate offense. Each and every day or portion thereof during which any violation is committed or continued shall be deemed a separate offense, and each and every violation shall be deemed a separate offense. In addition, whoever violates Section 2 of this ordinance shall be subject to such injunctive relief as the courts deem just.

Section 5. Record of Existing Mobile Homes. In order to more effectively administer and enforce Section 3 of this ordinance, the Board of Selectmen may compile and preserve an accurate record of the location and relevant dimensions of mobile homes which existed in the Town of Allenstown on the date of this ordinance became effective or which were subsequently lawfully installed as replacement homes under Section 3. The Board of Selectmen may compile this record by receiving and confirming reports from interested persons, by conducting their own survey, or both.

Section 6. Separability. If any provision of this ordinance or the application thereof to any person or circumstances is held invalid, the remainder of this ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

Section 7. Effective Date. This ordinance shall take effect upon adoption.

17. To see if the Town will vote to adopt the following ordinance:

MOBILE HOME BUILDING PERMIT ORDINANCE

Section 1. Authority. This ordinance is adopted under authority of RSA 156:1 (1975 supp.).

Section 2. Building Permit Required. A mobile home shall be deemed a "building" under RSA 156, and no person shall erect,

install, remodel, restore, or replace a mobile home in the Town of Allentown after the effective date of this ordinance without first obtaining approval from the Building Inspector in accordance with RSA 156:3 (supp), 156:3-a (supp) and 156:3-b (supp).

Section 3. Enforcement. This ordinance may be enforced pursuant to RSA 156:3 (1975 supp) and by such injunctive remedies as the courts may deem just.

Section 4. Separability. If any provision of this ordinance or the application thereof to any person or circumstances is held invalid, the remainder of this ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

Section 5. This ordinance shall take effect upon adoption.

18. To see if the Town will vote in accordance with RSA 36:19-a to empower the Planning Board to review, and approve or disapprove, site plans for the development of tracts for non residential uses regardless of whether such development includes a subdivision or resubdivision of the site.

19. (By Petition) To see if the Town will vote to amend the zoning ordinance and map of the Town of Allentown so that a certain parcel of land consisting of 14.5 acres, more or less, situated on the southeasterly side of U.S. Route 28 and a part of the Bates Farm, and presently under consideration for the purpose of building a factory. Further described and shown on a plan entitled Subdivision Plan-Allentown, New Hampshire, dated January 10, 1978, with revisions of 1/13/78 and 1/25/78, by Thomas F. Moran, Inc., Registered Land Surveyors, recorded in Merrimack County Registry of Deeds, Subdivision 51-52.

This being the same parcel as recently approved by the Town's Planning Board and the variance Board for industrial purposes and shall be hereby rezoned from open space and farming zone to industrial zone.

20. (By Petition) To see if the Town of Allentown will vote to reduce the price on the use of the sewer from 99 cents to 75 cents, same as Pembroke.

21. To see if the Town will vote to make the office of the Fire Chief an appointive office rather than an elective office, effective upon the expiration of the current elective term (1979 Town Meeting date) and to authorize the Board of Selectmen to appoint a new Fire Chief

after reviewing his qualifications and past experience in the fire service.

DIRECTOR

November 21, 1977

Selectmen of Allenstown
Laurent Bernard, Chairman
Main Street
Allenstown, N.H. 03275

Gentlemen:

Your Summary Inventory of Property Valuation and Statement of Appropriations have been approved. You may proceed with the assessment of 1977 taxes on the basis of the following figures:

Net Assessed Valuation \$14,251,159.00

Taxes Committed to Collector:

Town Property Taxes Assessed \$1,078,812.74

Precinct Taxes Assessed

Total Gross Property Taxes \$1,078,812.74

Less: Est. War Service Tax Credits 25,581.15

Net Property Tax Commitment* \$1,053,321.59

Tax Rate 7.57

*The amount of property tax commitment is subject to adjustment by reason of any increase or decrease in War Service Tax Credits which may result based on the above approved rate.

In the event any adjustment was made in the Appropriations Section, we have enclosed a copy of the changes. Revenues and Credits have been approved as shown on the enclosed copy of the third page of the Statement of Appropriations.

The net amounts approved for school and county are as follows:

Net School Appropriations \$767,927.79

County Tax Assessment 72,320.18

In arriving at the above approved rate the Overlay has been set in the amount of \$18,720.62.

Very truly yours,

Lloyd M. Price, Commissioner

TOWN OF ALLENSTOWN

SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Selectmen
Town Office
Allenstown, New Hampshire 03275

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Allenstown for the fiscal year ended December 31, 1976 which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audits must be given to the Town Clerk for retention as part of the permanent Town records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Sewer Commission, Treasurer, Tax Collector, Public Library and Trustees of Trust Funds.

FINANCIAL INFORMATION

General Fund:

Comparative Balance Sheets - December 31, 1975 and December 31, 1976: (Exhibit A-1)

Comparative balance sheets which disclose the financial condition of the General Fund as of December 31, 1975 and December 31, 1976 are presented in Exhibit A-1. As indicated therein, the Town's current deficit decreased by \$48,845 from a \$56,108 deficit at December 31, 1975 to a \$7,263 deficit at the same date a year later.

Analysis of Change in Current Financial Condition: (Exhibit A-2)

An analysis of the change in current financial condition of the Town during the fiscal year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease in Current Deficit:

Net Budget Surplus	\$48,952
--------------------	----------

Increase in Current Deficit:

Tax Collector's Excess Debits	107
-------------------------------	-----

<u>Net Decrease in Current Deficit</u>	<u>\$48,845</u>
--	-----------------

Comparative Statements of General Fund Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of general fund appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1976 are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a revenue surplus of \$43,064 plus a net unexpended balance of appropriation of \$5,888 resulted in a net budget surplus of \$48,952.

Capital Project Fund:

Comparative Balance Sheets - December 31, 1975 and December 31, 1976: (Exhibit A-5)

Comparative balance sheets showing the financial condition of the Capital Project Fund as of December 31, 1975 and December 31, 1976 are included in Exhibit A-5. The information contained in this exhibit has been revised in order to fully disclose the project cost and the various sources of funding. The revised balance sheet as of December 31, 1976 discloses that the project had assets of \$1,285,841. Of this amount, \$347,873 is cash and the balance \$937,968 are receivables due from the Environmental Protection Agency (\$881,950) and the Town of Pembroke (\$56,018). These receivables represent the balance of their share of the project costs. The balance sheet also discloses that these assets are offset by the following liabilities: unappropriated surplus \$2,584, accounts payable \$9,224, due Town of Allenstown \$29,101, retainage due contractors \$47,900, unexpended sewer project appropriation \$584,732 and Debt Service Fund of \$612,300. This Debt Service Fund represents the money the Town borrowed over and above the \$955,700 it was required to borrow at the offset of the project. This money will be used each year to pay off the bonded indebtedness.

Long-Term Indebtedness:

Comparative Balance Sheets - December 31, 1975 and December 31, 1976: (Exhibit A-7)

Comparative balance sheets which disclose the outstanding long-term indebtedness of the Town as of December 31, 1975 and December 31, 1976 are presented in Exhibit A-7.

As indicated therein, the long-term debt decreased by \$55,000 during the fiscal year from \$1,350,000 to \$1,340,000.

A statement of annual debt service requirements (principal and interest) as of December 31, 1976 is contained in Exhibit A-8.

TREASURER

General Fund:

Classified Statement of Receipts and Expenditures: (Exhibit B-1)

A statement of general fund receipts and expenditures for the fiscal year ended December 31, 1976 made up in accordance with the uniform classification of accounts is presented in Exhibit B-1.

Capital Projects Fund:

Statement of Account: (Exhibit B-2)

A statement of the cash transactions in the Treasurer's Sewer Construction Account during the fiscal year ended December 31, 1976 is presented in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all Town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. Consequently, the amounts of uncollected and unredeemed taxes as indicated in this report are subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Treasurer:

Reconciliation of the General Fund Checking Account:

The general fund checking account was not reconciled by the Treasurer during 1976. This situation is totally unacceptable and should be remedied. We recommend, therefore, that the Treasurer follow good business practices and reconcile the accounts on a monthly basis.

Bond and Coupon Account:

Last year's audit report has the following recommendation. "It is recommended that the bank statements and cancelled bonds and coupons be returned to the Town Treasurer and that a bond and coupon register be immediately set up and maintained by the Town Treasurer as prescribed..."

This recommendation has not yet been implemented.

The Treasurer receives the bank statements, the cancelled bonds and the cancelled coupons of the sewer bond account and turns them over to the accounting firm hired by the Sewer Commission. There the accounts are reconciled and the information is stored. The Treasurer still does not maintain the prescribed bond and coupon register as required by R.S.A. 33:12 which states:

"Register. The treasurer of every municipal corporation shall keep a register, in such form as may be prescribed by the commissioner of revenue administration, which shall state the denomination, number and date of every bond or note issued by the principal thereof and interest, if any, thereon are payable and such other information as the commissioner of revenue administration may prescribe. The commissioner of revenue administration shall inspect the register provided for herein whenever he shall make any audit of the accounts of a municipal corporation."

We again recommend that the bank statements and cancelled bonds and coupons be returned to the Town Treasurer and that the said Treasurer immediately set up and maintain a bond and coupon register as prescribed in R.S.A. 33:12 quoted above.

Tax Collector:

For the Period March 2, 1976 to December 31, 1976:

During our examination, we found that the records kept by the Tax Collector who was in office during the period from March 2, 1976 to December 31, 1976 were inadequate.

Inasmuch as inadequacies have since been corrected, we will limit ourselves to the enumeration of a few of the problems encountered and their probable cause.

1. The jeopardy assessments were not properly listed in the warrant.

2. A whole week's resident tax collection was not posted.

3. Property tax abatements were posted as payments.

4. The tax sale was not posted.

5. The tax collector's report required by R.S.A. 41:35 was not made.

It appears that not enough time was denoted to the record keeping aspect of the office of Tax Collector. Had sufficient time been spent on the records and the required reports produced all of the above problems would have been uncovered by the Tax Collector and could have easily been solved prior to the audit.

Gas Tax Refunds:

The audit disclosed that \$280.61 in Gas Tax Refunds were disallowed by State officials because the applications were not filed on time. The applications for reimbursements have to be filed within six months of the date of purchase or delivery. In the above mentioned cases, they were not. The application for purchases made between April and September of 1975 was filed in January of 1976, and the application for the purchase made between January and July of 1976 was filed in November of 1976.

The timely filing of these applications is the duty of the selectmen since R.S.A. 41:8 states "The selectmen shall manage the prudential affairs of the town." They may delegate these duties to various department heads, but they are still responsible for seeing that they are carried out. In order to facilitate this supervision, we suggest the establishment of a policy whereby the application would be filed at the end of each month, and, also on a monthly basis, a copy of the application be given the selectmen at a designated meeting of the selectmen.

Violation of R.S.A. 31:25.

R.S.A. 31:25 places custody of the trust funds in the hands of the trustees of trust funds. Our audit uncovered the fact that the trust fund bank books are in the custody of the selectmen's secretary. This is not in accord with the requirements of the above stated statute.

We therefore, recommend that the trustee of trust funds immediately take custody of the aforementioned bank books as is required by law.

Town Poor Payments - Liens on Property:

During the course of this audit, it was noted that the Selectmen

did not take advantage of R.S.A. 165:28 which allows a lien to be taken on the real estate of a poor person who receives support from the Town. Assistance to the poor during 1976 totaled \$22,336 of which several of the recipients owned real estate. One of the cases involved the Town making mortgage payments on behalf of a recipient whose property was subsequently sold, however, the Town was not reimbursed for the benefits it made available to the party.

We recommend that more prudence be exercised in such matters in the future. For your benefit we quote R.S.A. 165:28 below:

"165:28 Liens on Real Property. The amount of money spent by a town to support a poor person under this chapter shall, except for just cause, be made a lien on any real estate owned by the poor person. The liens are effective during the lifetime of the person being supported by the town, or until enforced as provided in this chapter, or until released by the selectmen. Interest at the rate of six percent per year shall be charged on the amount of money constituting such lien commencing one year after the date of the filing of the lien, unless a majority of the selectmen in the town vote to waive such interest. The selectmen of the town, in their discretion, may file a notice of the lien or an acknowledgement of satisfaction of the lien with the register of deeds of the county in which the person being supported owns real property. A notice of lien which contains the owner's name and a description of the real property sufficient to identify it is a valid lien on the property. The register of deeds shall keep a suitable record of such notices without charging any fee therefor, and he shall enter an acknowledgement of satisfaction of the lien upon written request of the selectmen, without fee."

Conclusion:

The provisions of Chapter 71-A, Section 21, require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in the audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We wish to extend our thanks to the officials of the Town of Allentown for their assistance during the course of the audit.

Very truly yours,

Frederick E. Laplante

TOWN OF ALLENSTOWN

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Allenstown for the fiscal year ended December 31, 1976.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheets, statements or revenues, appropriations and expenditures, and surplus, present fairly the financial condition of the Town of Allenstown at December 31, 1976, and the results of the operations for the year ended on that date in conformity with accounting practices generally followed by municipalities applied on a basis consistent with that of the preceding year.

Respectfully submitted,

The collector shall within thirty days after receipt of the warrant from the selectmen (assessors) send out the tax bills unless for good cause the time is extended by this department.

RSA 76:11-a Information Required. The tax bill which is sent to every person taxed, or his agent, if known, as provided in section 11, shall show the rate of municipal, school and county taxes separately, and each bill shall also show the assessed valuation of all lands and buildings for which said person is being taxed. The 1977 rate breakdown reflects a proportionate share of the Reimbursement a/c Property Exempted by 1970 Special Session for each unit of government.

RSA 76:13 provides that interest at 9% per annum shall be charged on all taxes except resident taxes not paid on or before December 1, except that in the case where a tax bill was sent to a taxpayer on or after November 2 and before April 1st, interest shall not be charged until 30 days after the bills are mailed. The collector shall state on the bill the date from which interest will be charged.

The tax bill which you mail must contain the date from which interest will be charged and this date is determined by the date you send the last bill on the list committed to you. It is also required by statute that you notify this department in writing of the date on which you send the last tax bill. We enclose a form for this purpose.

LETTER OF TRANSMITTAL

Board of Selectmen
Town Office
Allenstown, N. H. 03275

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of Edward Cyr, Tax Collector of the Town of Allenstown, which was made by this Division under the provisions of R.S.A. 41:36. The examination covered the period from January 1, 1977 to March 8, 1977.

One of the enclosed audit reports must be given to the Town Clerk to be retained as part of the permanent town records.

AUDIT PROCEDURE

Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

Conclusion:

The provisions of Chapter 71-A, Section 21, require that the auditor's summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of

the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

MEMO

To: Charles H. Todd, Commissioner, CNHRPC

Jesse J. Welch, Commissioner, CNHRPC

Subject: Status Report on Hydro-electric Revitalization of the

Thomas Hodgson and Sons, Inc., Suncook Plant

From: Anthony W. Dater, Regional Planner

Date: February 6, 1978

BACKGROUND

In response to Mr. Todd's request at the April 1976 Commission meeting, the CNHRPC placed hydro-power revitalization in Allenstown and the Region on its special regional projects element of its Overall Program. In September, 1977 a project was developed with four New England College student interns to survey possible redevelopment hydro-power sites in the Region. In Suncook, Hodgson and Sons responded positively to exploring with the Allenstown Commissioners and the CNHRPC possible ways to revitalize its hydro-electric facility.

PROGRESS ON THE PROJECT

In October, Commissioners Todd and Welch, CNHRPC interns and staff, and Hodgson and Sons' representatives toured the Hodgson and Sons' hydro-electric facility. Discussion was held on what Federal programs might be available to assist hydro-facility owners in redeveloping their facilities, not only financially but with respect to engineering and construction expertise. Also discussed was down towns, townspeople, and the Region could benefit from revitalized hydro-power sites in Allenstown and the Region.

Subsequent to these discussions, CNHRPC contacted the New England River Basins Commission in Boston about possible Federal programs, and Mr. Todd brought the project to the attention of the Allenstown Selectmen.

During November, 1977 Hodgson and Sons contacted the New England Hydro-Power Study staff at the New England River Basins Commission to express the company's situation with respect to its hydro facility and its interest in discussing available programs for reactivation of hydro-sites. NERBC responded in December with information about a current U.S. Department of Energy research and development project for low-head hydro-electric development

at existing sites. This program has a first phase concerning development of feasibility studies of prospective sites, and a second phase of construction at selected sites. Involving Federal cost sharing, competition around the country for being chosen as a grant recipient for the feasibility phase is keen. NERBC also passed along to Hodgson and Sons information about other possible future programs now being debated in Congress.

Having already completed engineering and feasibility studies, Hodgson and Sons has concluded that it is ahead of the current Federal effort. The Company's interest at this point lies in assessing the actual construction steps necessary to put their hydro facility back in production. To this end, Hodgson and Sons is currently determining where the requisite engineering and construction experience lies to help them in their hydro redevelopment project. However, the Company is also keeping abreast of the countryside hydro redevelopment effort for possible future Federal programs that might be of assistance.

IMPACTS AND BENEFITS OF THE PROJECT

The basic cost of the Hodgson and Sons project is for the engineering and construction cost of putting a replacement generator drive shaft in place, to be borne by the Company.

The impact of the projection the community is beneficial. By production of its own electrical energy, Hodgson and Sons will likely replace some or all of its oil-fired power, thus reducing discharge of chimney gases. During much of the year the flow of the Suncook River is sufficient to meet the Company's hydro water demand.

The benefits from the project are multi-faceted. Hodgson and Sons would be able to maintain its production without being constantly faced with the inevitable increase of outside oil and electricity prices. The town benefits from this substantial employer maintaining its economic health within its borders. In the event that Hodgson and Sons might in the future have surplus power, the town would have a potential source for additional or emergency power. Worth exploring is the potential for an agreement to acquire surplus power from Hodgson and Sons for the new town sewage treatment plant.

From the Region's point of view, proper use of the Suncook River for hydro-power generation is a wise use of a renewable natural resource. Maintenance of the 19th Century Hodgson and Sons mill conforms to the CNHRPC's interest generally in maintenance and revitalization of the existing urban centers of our Region as vital

community centers. Finally, with respect to National policy, every kilowatt of energy produced locally, such as from the Hodgson and Sons plant, represents savings of oil purchased overseas, thus reducing our balance of payments and dependence on foreign countries.

CNHRPC ROLE

In response to the CNHRPC Commissioners from Allentown, the CNHRPC sees its role as an information source on possible locations for, and programs available to, individuals and local governments desiring to explore redevelopment of hydro power sites.

Towns can play one of two roles in local hydro power generation: development/redevelopment of municipally owned or purchased local hydro sites such as the Black River project by the Town of Springfield, Vermont; or secondly, by cooperation with a private redeveloper of a local hydro site. The Springfield, Vermont hydro site will be a consumer-owned utility in contrast to the large investor-owner public utility companies. In town cooperation with a local privately owned hydro site, a town could agree to work with the site owner to explore possible arrangements of mutual benefit to the townspeople and the site owner.

In Allentown, there is an opportunity for cooperation between Hodgson and Sons and the Town to realize mutual benefits. An agreement between the Company and the Town for use of the hydro facility during power emergencies might be acceptable to both parties. If in the event that there were to be a surplus of power from the Hodgson and Sons hydro site, agreement to make this available to the Town, i.e. helping hold down the new sewage treatment plant operating costs, might be mutually acceptable under a cooperative agreement. Willingness to explore mutually beneficial cooperation on the Town's part, would encourage Hodgson and Sons to explore the possibility of working with the Town before making decisions about how it is to operate its redeveloped facility, particularly with respect to possible surplus power. Surplus power can be wasted, or in the near future could possibly be purchased by the PSC for 2¢ per kwh if private owners and the PSC can come to agreement on a steady supply.

The CNHRPC would be happy to make its offices available to Allentown representatives and Hodgson and Sons representatives for informal discussions, and also for any other Towns and prospective hydro redevelopers in the Region.

To the residents of Allentown:

During the past year the planning board has been quite active. The board meets every second Tuesday of the month at the Municipal Building.

In 1977 the board acquired its own legal counsel. Gerald Zelin is an attorney from Sallem, N.H. His assistance in legal matters has been of tremendous assistance. He's young, willing and certainly qualified.

In addition to the acquiring of Mr. Zelin's services, the board has spent the major part of the year working on the recently passed zoning and mobile homes ordinance.

In addition to the ordinances, the board acquired a Miss Amy Lubak from the N. H. Central Planning Office to do a study of Allentown.

The expenses for this project were equally shared by the planning board and N. H. Central Planning. Miss Lubak's report entitled, "Economic Growth and Development" will be the bases for the board's next project which will be re-zoning.

POLICE DEPARTMENT

Dear Allentown Residents,

During this past decade we've all noticed a tremendous influx in our population growth. Due to this situation, which has had a staggering effect on the crime scene, we must all realize that the days of perfectly clean and quiet streets in this community are probably gone forever!

It's a very sad thing to admit but the calls received this year have nearly doubled for the past three years. Unfortunately, with the lack of manpower on our police force, I've had to depend on each and everyone of you to lend a helping hand. Please try and realize the help you could be to your neighbors when you report any situation that is out of the usual, in the area. Whenever you might see a moving van next door at your neighbor or any strange vehicles parked in the vicinity for a long period of time, with people you do not recognize in it, one simple phone call could probably prevent a major crime on your street.

In the past year, through our Police Association, we were able to take a more active part with the youth of the community. We've sponsored a Little League team, a hockey team and a class trip for eight graders. During the holiday season, we were able to give a helping hand to our needy with food baskets.

Our main concern is for a safe and enjoyable community for all, and it would be an impossible task without the help of civic-minded people like yourselves. Thank you very much for the co-operation that you've given in the past to help us help you!

Respectfully yours,

Norman H. Connor,
Chief of Police

Child and Youth Program

The Suncool Child and Youth Program provides Allenstown, Hooksett and Pembroke with comprehensive health care. Health services are provided by a doctor, nurse, nutritionist and social worker team. Our goal is to assure the best physical, social and emotional development of each person enrolled in the program. Emphasis is placed on preventive health care and treating children and youth in the context of family life. We have served this area for more than ten years. This year in Allenstown we care for 174 children and youth, and 81 families. Health services are provided daily Monday thru Friday.

In addition 72 women, infants and children receive supplemental foods to help meet nutritional needs.

To Our Friends,

A big "thank you" to the three towns for our most successful fund drive. Donations totaled \$11,105, a substantial increase over last year's fund drive.

Because of the successful drive, we are planning to purchase a new \$22,000 vehicle. The remainder of the money for the new vehicle will be taken out of the donation bank book. This bank book is made up of the donations given for services and the memorial fund, donations given in memory of loved ones.

Tri-Town will not only have purchased two new vehicles, but has also recently completed construction of a second bay on the ambulance garage. Included in the construction was the addition of a second floor, which houses a training room. A special thanks to the VFW Post 2860 for allowing us to expand.

The problem that is of most importance, is the lack of personnel for daytime duty. Only a handful of people are giving the timely volunteer hours that keep our service going. A total of nineteen people are currently covering our 24 hour a day 7 days a week service.

In 1977, Tri-Town had 732 calls. Of these 732 calls, 255 were road accidents.

Since Tri-Town inception, Sept. 1, 1972 we have had a grand total of 2,642 calls.

There are two request that the Tri-Town personnel ask of the residents of the towns we serve. The first is that each house, mobil home or business be clearly marked with a street number or name. Secondly, we ask that night calls of locations for medical emergencies be well lighted. These requests will enable us to give you a better service.

Thank you for your much needed support.

Minutes of the School District Meeting

Mr. Gerald Croteau
Superintendent of Schools
Pembroke Street
Pembroke, New Hampshire 03275

Dear Mr. Croteau:

Enclosed are the minutes of the Allenstown School District meeting held March 5th, 1977.

The meeting opened at 10:10 a.m. Mr. Armand Dugas, Moderator, presided at the meeting. Mr. Gerard Lavoie, a member of the Allenstown School board asked permission to speak. He presented a plaque to Mr. Romeo Descoteaux, who has been a school board member for 9 years. Mr. Descoteaux is not seeking reelection to the board. Mr. Lavoie thanked him for all the work he did for the Allenstown School District.

Article 1:

TO SEE IF THE DISTRICT WILL APPROPRIATE A SUM OF MONEY FOR CONSTRUCTING AND ORIGINALLY EQUIPPING AND FURNISHING AN ADDITION TO THE ALLENSTOWN ELEMENTARY SCHOOL AND TO DETERMINE WHETHER SUCH APPROPRIATION SHALL BE RAISED BY BORROWING OR OTHERWISE, OR TAKE OTHER ACTION RELATIVE THERETO. On motion of Romeo Descoteaux, seconded by Greta Gendron, that the sum of \$861,000.00 is appropriated for constructing and originally equipping and furnishing an addition to the Allenstown elementary school; that to raise this appropriation the school board is authorized to borrow \$861,000.00 under the Municipal Finance Act; that the school board may contract for or accept grants of federal or state aid; provided that the borrowing authorized hereby shall be reduced the the amount of nay construction grants; that any income derived from the temporary investment of bond proceeds shall be spent for the project, and that the school board is authorized to take all other action necessary to carry out this vote.

Mr. Bernard Riopel amended Article 1 and made a motion that the money borrowed for the addition to the school be repaid in 2 years. Mr. Adelard Hebert seconded the motion. Discussion followed by Joan McNamara, George Guertin, Oscar Pelletier, Donald Girard, Frank Harper, and Asher Kneeland. Mr. Dugas

announced that action on the amendment would be a voice vote. Mr. Donald Girard, on a point of order, requested a secret ballot, stating that it takes 5 people signing the request to make it legal. The 5 people signing the request were Bernard Riopel, Rudy Plourde, Roger Letendre, Herve Verville, and Donald Girard. Voting on the amendment ended at 11:18 p.m. The results were yes--68; No--149. The amendment was defeated.

Mr. Descoteaux motioned to vote on Article 1, seconded by Greta Gendron, "and that the voting be open until 4 o'clock this afternoon." The other articles will be acted upon at one o'clock. On motion of Roger Menard, seconded by Andy Lemaire, to move for the question, the motion passed. Voting on Article 1 began at 11:40 a.m.

The recessed meeting re-opened at 1:10 p.m. with Mr. Dugas, presiding.

Article 2:

To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agent of the District. This article is in the budget.

Article 3:

TO HEAR THE REPORTS OF AGENTS, AUDITORS, COMMITTEES, OR OFFICERS CHOSEN, AND PASS ANY VOTE RELATING THERETO. The auditing is done by the State Tax Commission.

Article 4:

TO CHOOSE AGENTS AUCITORS, AND COMMITTEES IN RELATING TO ANY SUBJECT EMBRACED IN THIS WARRANT. No action was taken on this article.

Article 5:

TO SEE IF THE VOTERS WILL AUTHORIZE THE SCHOOL BOARD TO ACCEPT ON BEHALF OF THE DISTRICT ANY FEDERAL OR STATE FUNDS DESIGNED TO IMPROVE EDUCATIONAL OPPORTUNITIES. FURTHER, TO SEE IF THE DISTRICT WILL AUTHORIZE THE SCHOOL BOARD TO MAKE

APPLICATION FOR SUCH FUNDS AND TO EXPEND THE SAME FOR SUCH PROJECTS AS IT MAY DESIGNATE. On motion of Romeo Descoteaux, seconded by Michael Phelps, to accept this article as read, the motion passed.

Article 6:

TO SEE IF THE VOTERS OF THE DISTRICT WILL VOTE TO AUTHORIZE THE SCHOOL BOARD TO ACCEPT GIFTS AND DONATIONS. On motion of Romeo Descoteaux, seconded by Eugene Valley, to accept this article as read, the motion passed.

Article 7:

TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$287,546.00 TO FUND ALL COST ITEMS RELATING TO TEACHERS' SALARIES AND BENEFITS FOR THE 1977-78 SCHOOL FISCAL YEAR, \$4,647.00 OF SUCH SUM REPRESENTING THE COST OF THOSE ADDITIONAL SALARIES AND BENEFITS OFFERED TO THE TEACHERS BY THE SCHOOL BOARD IN THE BARGAINING SESSIONS WHICH ARE STILL GOING ON. Mr. Descoteaux explained they had met with the teachers and they had decided on an amount of \$290,178.78 and \$7,279.78 and bargaining was over. On motion of Mr. Descoteaux, seconded by Armand Dupont that the article be accepted, with the new figures, the motion passed.

Article 8:

TO SEE WHAT SUM OF MONEY THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE FOR THE SUPPORT OF SCHOOLS, FOR THE PAYMENT OF SALARIES AND BENEFITS FOR SCHOOL DISTRICT OFFICIALS AND AGENTS OTHER THAN BENEFITS AND SALARIES PAYABLE TO TEACHERS, AND FOR THE PAYMENT OF THE STATUTORY OBLIGATIONS OF THE DISTRICT. The Moderator proceeded to line items in the budget. On motion of Romeo Descoteaux, seconded by Asher Kneeland, to approve \$1,570,529.02, excluding teachers' salaries and a deficit appropriations, the motion passed. On motion of Asher Kneeland, seconded by Pauline Begin to accept the new appropriations total, the motion passed. The new budget total will be \$696,629.00 if the bond issue is defeated. If the bond issue is passed, the new total will be \$1,873,607.80.

Article 9:

TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$12,900.00 TO FUND AN ANTICIPATED DEFICIT IN SUCH AMOUNT FOR THE 1976-1977

SCHOOL YEAR. SAID MONIES TO BE PAID TO THE DISTRICT BEFORE JULY 1, 1977. APPROVED BY THE BUDGET COMMITTEE. On motion of Romeo Descoteaux, seconded by Daniel McNamara, to accept this article as read, the motion passed.

Article 10:

TO TRANSACT ANY OTHER BUSINESS THAT MAY LEGALLY COME BEFORE SAID MEETING. There was no new business to discuss.

On motion of Asher Kneeland, seconded by George Guertin, to adjourn the meeting, the motion passed. The meeting adjourned at 1:52 p.m.

The voting on the bond issue ended at 4:03 p.m. Results of voting on the bond issue is as follows: Yes--207; No--341. Ballots cast--548. Two-thirds majority needed--366. The motion was defeated.

A motion made last year decided the school district officers shall be elected on the same day as the town officers. This meeting was held on March 8, 1977, from 10:00 a.m. to 7:00 p.m. The results of the elections for school district officers is as follows:

Edmond Duchesne, School Board Member for 3 years--669 votes

Henriette Girard, District Clerk for 1 year--791 votes

Roland M. Landry, District Treasurer for 1 year--645 votes

Armand A. Dugas, District Moderator for 1 year--720 votes

Respectfully submitted,

SUMMARY OF FINDINGS AND RECOMMENDATIONS

The School Board
Allentown School District
Allentown, New Hampshire 03275

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts and records of the Allentown School District for the fiscal years ended June 30, 1975 and June 30, 1976, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board, School District Treasurer and the School Lunch Program.

FINANCIAL INFORMATION

General Fund:

Comparative Balance Sheets:

June 30, 1974 and June 30, 1975 (Exhibit 1)

June 30, 1975 and June 30, 1976 (Exhibit 14)

Comparative Balance Sheets which disclose the financial condition of the General Fund as of June 30, 1974-75 and June 30, 1975-76 are presented in Exhibits 1 and 14 respectively.

As indicated in Exhibit 1, the current surplus decreased by \$99,501, from \$104,170 to \$24,699 during the fiscal year ended June 30, 1975. As shown in Exhibit 14, the financial condition of the District changed from a current surplus of \$24,669, to a current deficit of \$21,213 during the fiscal year ended June 30, 1976.

Analysis of Change in Financial Condition:

Fiscal Year Ended June 30, 1975 (Exhibit 2)

Fiscal Year Ended June 30, 1976 (Exhibit 15)

Statements outlining the factors which caused the change in the District's current financial condition during the fiscal years ended June 30, 1975 and June 30, 1976 are presented in Exhibits 2 and 15 respectively.

The decreased of \$79,501 in the District's current surplus during the fiscal year ended June 30, 1975 was caused by the following factors:

Decreases in Current Surplus:

Surplus Used To Reduce School Tax	\$104,170
-----------------------------------	-----------

Increase in Current Surplus:

Net Budget Surplus (Exhibit 4)	<u>24,669</u>
--------------------------------	---------------

Net Decrease in Current Surplus	<u>\$79,501</u>
---------------------------------	-----------------

The change in financial condition of \$45,882 in the District during the fiscal year ended June 30, 1976 was caused by the following factors:

Decreases in Surplus:

Net Budget Deficit	\$23,029
--------------------	----------

Surplus Used To Reduce School Tax	<u>22,853</u>
-----------------------------------	---------------

Net Decrease in Current Surplus	<u>\$45,882</u>
---------------------------------	-----------------

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues:

Fiscal Year Ended June 30, 1975 (Exhibits 3 and 4)

Fiscal Year Ended June 30, 1976 (Exhibits 16 and 17)

Comparative statements of general fund appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1975 and for the fiscal year ended June 30, 1976 are contained in Exhibits 3 and 4, 16 and 17, respectively.

A net unexpended balance of appropriations of \$35,284, less a revenue deficit of \$10,615, resulted in a net budget surplus of \$24,699 during the fiscal year ended June 30, 1975 (Exhibit 4). A net overdraft of appropriations of \$3,997, plus a revenue deficit of \$19,032 resulted in a net budget deficit of \$23,029 in the fiscal year ended June 30, 1976 (Exhibit 17).

Capital Projects Fund:

Comparative Balance Sheets:

June 30, 1974 and June 30, 1975 (Exhibit 5)

June 30, 1975 and June 30, 1976 (Exhibit 18)

Comparative Balance Sheets wherein the financial condition of the Capital Projects Fund as of June 30, 1974-75 is disclosed are presented in Exhibit 5. As indicated therein, there was an unappropriated surplus of \$20,828 in the Elementary School Addition Building Fund as of June 30, 1975.

Comparative Balance Sheets which set forth the financial condition of the Capital Projects Fund as of June 30, 1975-76 are presented in Exhibit 18. As shown therein, the unappropriated surplus in the Elementary School Addition Building Fund as of June 30, 1976 amounted to \$ - 0 -.

Comparative Statement of Appropriations and Expenditures:

Fiscal Year Ended June 30, 1975 (Exhibit 6)

Fiscal Year Ended June 30, 1976 (Exhibit 19)

Comparative statements of Capital Projects Fund appropriations and expenditures for the fiscal years ended June 30, 1975 and June 30, 1976 are included in the above exhibits. There was an unexpended appropriation balance (fund balance) in the amount of \$38,334 in the Elementary School Building Addition Fund as of June 30, 1976.

Long-Term Indebtedness:

Comparative Balance Sheets:

June 30, 1972 - June 30, 1975 (Exhibit 7)

Comparative Balance Sheets which disclose the outstanding bonded indebtedness of the District as of June 30, 1974-75 and June 30, 1975-76 are presented in Exhibits 7 and 20, respectively.

As shown in the foregoing exhibits, the bonded debt of the District decreased from \$394,000 to \$366,000 during the fiscal year ended June 30, 1975 and from \$366,000 to \$338,000 during the fiscal year ended June 30, 1976.

Statements of Debt Service Requirements:

As of June 30, 1975 (Exhibit 8)

As of June 30, 1976 (Exhibit 21)

Statements showing debt service requirements (principal and interest) of the District as of June 30, 1975 and June 30, 1976 are contained in Exhibits 8 and 21, respectively.

TREASURER

General Fund:

Classified Statement of Receipts and Expenditures: (Exhibits 9 and 22)

Summary statements of general fund receipts and expenditures for the fiscal years ended June 30, 1975 and June 30, 1976, made up in accordance with the uniform classification of accounts, are included in Exhibits 9 and 22.

Capital Projects Fund:

Elementary School Addition Building Fund - Statements of Treasurer's Account: (Exhibits 11 and 24)

The statements of the treasurer's account for the Elementary School Addition Building Fund for the fiscal years ended June 30, 1975 and June 30, 1976 are shown in Exhibits 11 and 24, respectively.

School Lunch Program: (Exhibits 12 and 25)

Statements of the School Lunch Program account for the fiscal years ended June 30, 1975 and June 30, 1976 are presented in Exhibits 12 and 25.

School Tax Account:

Fiscal Year Ended June 30, 1975 (Exhibits 13)

Fiscal Year Ended June 30, 1976 (Exhibit 26)

The status of the School District Tax Account with the Town of Allenstown as of June 30, 1975 and June 30, 1976 is disclosed in Exhibits 13 and 26.

As indicated in Exhibit 13, the 1974-75 school tax levied by the District against the Town of Allenstown amounted to \$482,563. In addition, the balance of the 1973-74 school tax of \$96,360 was remitted by the Town. The aggregate sum of the school district assessments remitted from the Town during the fiscal year ended June 30, 1975 totaled \$578,923.

As disclosed in Exhibit 26, the 1975-76 school tax levied against the Town of Allenstown amounted to \$563,127.

GENERAL COMMENTS

Change of Purpose of Capital Reserve Fund - Authorized by Annual Meetings of March 4, 1972, March 3, 1973 and March 16, 1976:

The purpose of the Capital Reserve Fund previously established by the School District was changed on two separate occasions under Article 9 of the 1972 annual District Meeting and Article 10 of the 1973 annual District Meeting.

The records of the District Clerk disclose that in both instances the change in purpose of the Capital Reserve Fund was authorized only by a "voice vote". Such a vote does not meet the statutory requirements of R.S.A. 35:16, which statute specifically provides that "After the purpose for which a capital reserve fund is established has been determined, no change shall be made in the purpose, for which said fund may be expended unless and until such change has been authorized by a vote of two thirds of all voters present and voting at any annual town or district meeting, in the case of a town or district..."

Article 9 to the 1976 annual District Meeting addressed itself to change in the purpose of the Capital Reserve Fund from land purchase to site development. Inasmuch as the purpose was never legally changed to land purchase, we cannot recognize the vote of Article 9 as valid.

Therefore, the Capital Reserve Fund, which was expended during 1976 without authority, should be reimbursed and deposited with the Trustees of Trust Fund for the purpose originally voted.

Overdraft of Appropriations and Application of Municipal Budget Law:

As indicated by the Budget Summary (Exhibit 17) in the fiscal year ended June 30, 1976 there was a net appropriations overdraft of \$3,997 computed as follows:

Overdraft of Appropriations	\$20,983
Unexpended Balance of Appropriations	16,986
Net Overdraft of Appropriations	\$3,997

The Municipal Budget Law, R.S.A. 32:10, which was adopted by the Town of Allenstown provides that:

"32:10 Exceeding Appropriations. In towns adopting the provisions of this chapter, no board of selectmen, school board, commissioners of a village district wholly within said town, or other expending agency shall pay or agree to pay any money or incur any

liability involving the expenditure of money for any purpose for which an appropriation has not been made except for the purpose of paying judgments rendered against the town or school district, or said village district. Provided however that in cases arising during the year following the annual meeting where changes occur which make it unnecessary to use the amount appropriated for a specific purpose, an unexpended balance may be transferred by the board of selectmen or the school board, or the village commissioners of such village district from one appropriation to another provided the total amount expended for all purposes does not exceed the total amount appropriated at the town, school, or village district meetings for all purposes."

The audit revealed the overdraft was caused by an expenditure for site development for which there was no appropriation. This expenditure is the same as that discussed under the Capital Reserve Fund.

Elementary School Addition Building Fund:

During the fiscal year June 30, 1976, this Capital Projects Fund was closed out. The balance was transferred to the General Fund, consisting of the following amounts:

Interest on Investments	\$21,063
Principal	38,334
Balance Transferred	<u>\$59,397</u>

The Municipal Finance Act, R.S.A. 33:3-a, provides that:

"...If after notes or bonds have been issued and no expenditure of the proceeds has been made for the purpose or purposes for which the debt was incurred, or if a balance remains after the completion of the project or projects for which the debt was authorized, a city by a vote of two-thirds of the city council or a town, school district or village district by a vote of two-thirds of the voters present and voting at an annual meeting, and a county by a two thirds vote of all the members of the county may authorize the expenditure of the sum or sums on hand, including any premiums received, for any purpose or purposes for which bonds or serial notes may be issued for an equal or longer period of time at any time which said sum or any portion thereof remains available; provided however that if the sum obtained by issuance of bonds or notes, as aforesaid, or any balance thereof, including any premium, is not appropriated as aforesaid, then the same shall be used to pay the principal of the loan as it matures."

The debt service for these bonds for fiscal year 1976 was \$20,000. This leaves a balance of \$18,334 which should have been transferred in the next fiscal year.

CONCLUSION

The provisions of Chapter 71-A, Section 21 of the Revised Statutes Annotated require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District. Publication of the Exhibits included in the audit report is optional at the discretion of the School Board.

We extend our thanks to the officials of the Allenstown School District for their assistance during the course of the audit.

Very truly yours,

Allenstown School District Statistics

FOR THE SCHOOL YEAR ENDING JUNE 30, 1977

School Board Chairman's Report

The situation at the Allenstown School District continues much as it has for the last few years.

Our school population continues to grow as predicted. We now have 643 students in grades one through eight, and 236 at Pembroke Academy. Classrooms have over the recommended number of pupils. And the cost of Education is increasing every year.

According to the State Department of Education, the State Average cost per pupil at the Elementary School level is \$1148. It currently costs Allenstown \$780.81 per pupil. Out of 168 School Districts in New Hampshire, there are only ten districts who spend less than we do per pupil.

We were fortunate this last year (1977-78) to have had the services of several Teacher-Aids from CETA (Comprehensive Education and Training Act). These people were a great help and all at NO COST to the District.

St. Jean the Baptist Parish has agreed to let us have additional classroom space this coming school year. Without this some drastic step would undoubtedly have been necessary.

I wish to thank everyone - Parents, Staff, Town Officials, Parish Counsel, Budget Committee Members, etc., for their support, comments, encouragement, and concern throughout the year.

Respectfully,

G. H. Lavoie
Chairman
Allenstown School Board

SUPERINTENDENT'S REPORT

The Central New Hampshire Educational Services which was mentioned in last year's Superintendent's Report is now providing diagnostic services for students who have learning problems. There is still a need to provide additional diagnostic services, and we are in hopes of expanding this area by utilizing state and federal funds. In addition the above-mentioned agency has provided considerable assistance to the pupil placement team in developing Individualized Educational Programs for handicapped children. This agency has also provided considerable in-service training to teachers who are working with handicapped students.

In the Spring of 1977, the Allenstown Elementary School program was reviewed by the State Department of Education. The Allenstown School District was commended for the overall support that it provides to the school program in that the school district meets the majority of the State of New Hampshire Elementary School Minimum Standards. The School District was commended for the excellent behavior of the students and the cleanliness of the building. In addition the School District was commended for the Career Education program which in the opinion of the State Department of Education is recognized throughout the state as a viable program.

The School Visitation Report also addressed itself to the State of New Hampshire Elementary School Minimum Standards that are presently not being met and they are as follows:

1. the required minimum standards for teacher pupil ratio in grade one is 25 to one. The enrollment in grade one is approximately twenty-eight and it is expected that the enrollment in grade one will be approximately the same during the 1978-1979 school year.

2. the second area of concern that is expressed in the report involves the library, and the concerns include the amount of library space, the number of books as well as other audio-visual materials that are available to the students and the amount of money that is budgeted for the library. The report further expressed a concern relative to the amount of instructional time that is available to the students in Art as well as a concern about the need for a certified school librarian.

The Allenstown School District Special Education services were also reviewed in the Spring of 1977, and the School District was commended for the following:

1. the pupil placement team meetings accomplish a great deal in providing for the special needs of students.

2. the intergration of handicapped students into the regular classroom is very effective.

3. tutoring services for students with special needs are well organized and provide a considerable amount of help to these students.

4. the physical education program that has been developed for handicapped students is very helpful.

The recommendations that were made are concerned for the most part with diagnostic testing and the development of Individualized Education Plans. It was the opinion of the evaluating teams that additional diagnostic services should be provided and as stated previously in this report we are in hopes of providing this in 1978-1979 by utilizing federal and state funds. It was also the opinion of the evaluating team that some of the Individualized Educational Programs be written in more measurable terms, and as also indicated previously in this report the staff has been involved in in-service training programs, and additional in-service training programs are being contemplated.

Dr. P. Alan Pardy, is presently chairing a Supervisory Union 53 Special Education Committee whose purpose it is to expand and improve the services in this area.

William Marston and I have completed a review of the New England Association of Colleges and Secondary Schools. Our report has been reviewed with the Pembroke School Board. A number of the Association's recommendations have been completed, and the completion of others is being contemplated in the 1978-1979 proposed Pembroke School District Budget.

The establishment of a Readiness Room has been very helpful in providing additional services to beginning students. The teacher aides who have been made available to the School District via federal funds under the CETA project have also been very helpful in providing individualized attention to Allenstown students.

In closing I would like to thank the School Board, School Staff and citizens of Allenstown for all that they have done for the students.

Respectfully submitted,

GERALD A. CROTEAU
